KIDS COMMUNITY GROUP LESSON (I WILL NEVER FORGET TO GIVE GOD THE GLORY!)

Leader's Guide

3.15.15

Bible Lesson:

Ask the children to review anything they remember from the lesson at church. Explain that people in the Bible often believed in many made up gods. Paul and Barnabas tried to teach the people about the love and grace of the one true God. While they preached, God gave them the ability to do miraculous things to demonstrate His power and love.

Read Acts 14:1-18. Also, read **Acts 12:21-24** to find out about what happened to King Herod when he didn't give God the glory.

Discussion Questions:

- What were Paul and Barnabas doing in Iconium and Lystra?
- What miraculous things did they do?
- Who gave them the power to do these things?
- How did the people react when the paralyzed man walked again?
- During this time, people tore their clothes when they were very sad or upset. Why were Paul and Barnabas very upset?
- What did they tell the people God had done?
- Name things we can give God the glory and thanks for everyday.
- How will you give God the glory for all He does in your life?

Memory Verse:

I will praise you forever, O God, for what you have done. –Psalm 52:9
