

# HOW TO BE **BRAVE** GROUP LESSON

## Consider The Source

April 19, 2015

Everyone of us is faced with challenges, problems, and issues that sometimes come at us like a roaring lion, and yet we are told to just stay calm, but how? Be anxious for nothing the Bible says, but how? In the face of an uncertain tomorrow, with unknown news, there is a known God who has a way for us to live each day without fear. It's time we learn how to be BRAVE.

If you could have your choice of any one thing right now, what would it be? Why? What do you feel is the thing you lack most in life today? Explain.

Read Psalm 121:1-2 and 4:6-7. What does it mean to you when you hear that God is there to help and provide all you need?

Read Matthew 6:25-34. Are you a worrier? What things do you worry about most? Are you a pray-er? What things do you pray about most? How have you experienced 'prayer crushes worry' in your life? In what areas do you seek God first? In what areas is He seldom thought about? As a group, turn your worry list into a prayer list and spend some time in prayer.

Read Proverbs 3:9-10. Have you personally experienced this passage to be true? How? Is God first in your finances? If not, what changes do you need to make?

Read Matthew 25:23 and Romans 3:3-4. What are some of the 'small things' in life you have been faithful with? What was the 'fruit' of that faithfulness? What areas have you not been faithful in and need to start?

Pray that God brings each person to an abundant mindset when it comes to Him. That we would understand how to be faithful like never before and live with the power of His Spirit inside of us to help.

*Note: If you aren't in a community group, let us know you want to take that next step. Email us at [NextSteps@communitychurch.info](mailto:NextSteps@communitychurch.info). Group is not about a meeting, but instead people coming together to build relationships with each other and Jesus while they do this thing called life. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.*
