**April 19, 2015**

### **Bible Lesson:**

Have you ever been really, really angry? *Discuss situations where the children have been angry and how they dealt with it. Do a quick check to see what they learned from the lesson at church.*

John 2:13 -17

### **Discussion Questions:**

1. Where did Jesus go?
2. What did Jesus see when He went into the temple?
3. What made Jesus angry?
4. How did He show his anger?
5. Why did Jesus care about what was going on in the temple?
6. If we get angry over something that hurts God, how can we show that anger in a productive way?
7. Who can we turn to when we feel our anger taking over?

### **Memory Verse:**

*My dear brothers, always be willing to listen and slow to speak. Do not become angry easily. — James 1:19*
