Discussion Questions:

1. What is the thing you love to do most in your life? Why do you love that so much? Do you think that thing defines who you are? Why or why not?
2. What is something you do that you would say defines you most? Why?
3. Is it ok to let the things we do define us? Why or why not?
4. Open up your Bible or Bible App to **Ephesians 1:11-12** and read it together as a group. What is this verse talking about? What does it mean? What feelings does God have toward us according to this verse?
5. What are some things that you think God can and wants to use YOU for?
