

COMMUNITY GROUP LEADER

Suggested Coach & Group Leader Meeting Schedule

The goal for Coach & Group Leader meetings and contacts is to experience adequate “care, support, and equipping” for the Group Leader.

Below is an example of a meeting schedule that can be used, tweaked, or simply help in determining a schedule that works for each Coach and Group Leader.

Month	Type	Leader Activity
January	One-on-one	Coach and each Group Leader one-on-one
February	Huddle	Coach and all Group Leaders together
March	Church-wide	Church-wide Leadership Summit (training)
April	Group Visit	Coach visits each Community Group
May	Church-wide	Church-wide Leadership summit (training)
June	One-on-one	Coach and each Group Leader connect as needed
July	One-on-one	Coach and each Group Leader connect as needed
August	One-on-one	Coach and each Group Leader one-on-one
September	Church-wide	Church-wide Leadership Summit (training)
October	Group Visit	Coach visits each Community Group

December	Huddle	Coach and all Group Leaders together

Summary of meetings for a leader based on the above recommendation:

- Four one-on-ones
- Four church-wide gatherings
- Four group visits
- Two huddles*

**Any huddle could be replaced by a larger group setting, a one-on-one, or other gathering as deemed appropriate by the Coach or leadership of Community Church (i.e. Group Leader Retreat, Summit, etc.).*
