Bible Lesson:

Do you like to follow directions, or are you determined to do things your way? Tell about a time doing it your way backfired on you.

Read:

God used Moses to bring the Israelites out of slavery in Egypt so they could live free in their own land. Read **Exodus 19:1-6** for background information. God then called Moses to come to Him on Mt. Sinai to hear what He had planned for the Israelites. Read to find out what the people did when Moses was gone (**Exodus 24:12-18** and **31:18-32:35**).

Discussion Questions:

1. Why did God tell Moses to come up the mountain?
2. Before he left the Israelites, what did Moses tell them? Did they agree?

4. What did God give Moses there?
5. When it seemed like Moses was gone a long time, what did the people ask Aaron to do?
6. How did God feel when He saw His people worshipping a golden calf instead of him?
7. What did Moses ask God to do then?
8. Who joined Moses when he asked who was on God's side?
9. What happened to the rest of the people?
10. Why did Moses go back up to talk to God again?

Power Verse:

People throw lots to make a decision. But the answer comes from the Lord. - Proverbs 16:33
