Leader's Guide

8.15.15

Bible Lesson:

What makes you feel loved? What's the most loving thing you've ever done? What kind of response did you get?

Read:

As Jesus traveled, he taught people about God by telling them simple stories called parables. Most people understood the love of an earthly father, so Jesus used this story to teach people how much God loves us. Read **Luke 15:11-32**. *This would make a great story to retell in a skit or have the children act it out as you read.*

Discussion Questions:

1. What did the father's younger son want?
2. After he got his inheritance, what did the son do?
3. What happened to all that the son got from his father?
4. Why was the young man so hungry that he wanted to eat what the pigs ate?
5. What made him go back to his father?
6. When he saw his father, what did the son ask him to do?
7. What did the father do as his son got close to home?
8. Why did he call the servants together?
9. What did the older son think when he saw the party for his brother?
10. How did the father explain his great love for his son?

Power Verse:

Christ's love is greater than any person can ever know. – Ephesians 3:17
