8.22.15

Bible Lesson:

Ask the children what baptism means to them. Let them talk about their own experiences or what they know about someone else's baptism. Discuss any fear or misconceptions.

Read:

There are many references to baptism in the New Testament. This story about Phillip is a good illustration of what it means to be baptized. The Ethiopian man was seeking God through His Word. When he understood and believed in Jesus, he immediately wanted to take the next step in his faith.

Discussion Questions:

1. What did Phillip do when he heard the angel's direction from God?
2. What was the Ethiopian eunuch doing when he met Phillip?
3. Why did Phillip want to help him? Did the man accept Phillip's help?
4. Because of his questions, who did Phillip see a chance to tell him about?
5. How did the Ethiopian know about being water baptized?
6. After Phillip was taken away, what happened to the Ethiopian man?
7. Did Phillip go on doing what God wanted him to do?
8. Do you think some people in your life don't know about Jesus and His plan for their lives?
9. What next step in faith will you take?

Power Verse: *Anyone who believes and is baptized will be saved. But, anyone who refuses to believe will be condemned. – Mark 16:16*
