IT'S TIME TO PARTY

August 16, 2015

The Church should be known for what we are for more than what we are against. We are for experiencing the awesome life that can only be found by living for Jesus. We love God and love people; we like to party! Let's end the summer focusing on the goodness of God's grace that always leads to the best party!

What is one dream or hope that you have for the future?

Read Genesis 25:24-34 and Hebrews 12:16. What things have caused you to have the "Esau syndrome?" What long-term impact has that had in your life?

Read Luke 15:17-19. What would change in your life if you replaced short-term cravings with long-term vision?

Read Luke 15:20-24. Share your experience of going to God and leaving guilt behind. Are you currently dealing with guilt that is keeping you from experiencing God's grace?

Read Luke 15:25-32. Have you experienced what the father expressed about his son in verse 32? Explain. Where have you put a period where God put a comma?

What is the next step you need to take (e.g. get baptized, join a serve team, leadership)?

Pray together that people would know that the past does not define their future. Thank God together!

Note: If you aren't in a community group, let us know you want to take that next step. Email us at NextSteps@communitychurch.info. Group is not about a meeting, but instead people coming together to build relationships with each other and Jesus while they do this thing called life. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
