WORSHIP THE WALLS DOWN

September 6, 2015

The Church should be known for what we are for more than what we are against. We are for people being changed by the love & hope of Jesus, and that always leads to the best party!

What do you think of when you hear the word worship? Share different ways you have experienced worship. How do you engage in worship through song?

Read Joshua 6:1-20. Take time to discuss what happened, what it might have been like to be in the story, and any takeaways you have.

Are you currently on a journey, similar to Joshua where you know where God is leading you, but obstacles (walls) are popping up? Where is the journey taking you?

What are some of the walls blocking your way in your life today? Do you believe God may have already knocked any of them down? Explain. Discuss your understanding and experience with these verses. Share stories to help increase each other's faith and prayer.

Sometimes when God delivers something to us it still requires time, effort, faith, and worship before we receive it. Discuss the impacts of this principle. How have you seen God be faithful when you believed and worshipped before seeing the result?

Read Psalm 27:2-6. How does this passage combined with the story of Joshua change your view of how God wants to move in your life today?

Pray as a group that the wall that keeps us from God's best as individuals and as a church would come down!

Note: If you aren't in a community group, let us know you want to take that next step. Email us at NextSteps@communitychurch.info. Group is not about a meeting, but instead people coming together to build relationships with each other and Jesus while they do this thing called life. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
