

decisions

FOR GROUPS OCCURRING 9/12/2015 – 9/18/2015

We all use them. They hide things from others and from ourselves. Every decision we make in life is so much like a door; I open it or close it; I go through it or I stay out. In this series, we learn no matter who you are or where you're from, each day is alive with opportunity.

Share with the group your decision-making process.

Read Psalm 32:8 and Revelation 3:8. Share with the group how you have seen God open doors in your life.

Read Genesis 11:27-32. Have you ever stopped somewhere on your way to somewhere else, only to forget, or not keep going to where you were supposed to go? Explain. Is there something you have stayed involved in that you weren't supposed to, but you haven't closed that door to head to the one God has opened?

How has your past positioned you for what God wants to do next?

Share with the group any specific open doors that you are trying to decide whether or not you want to walk through.

Read Genesis 12:1-4. Have you been in a similar situation? Would you have responded to God as Abram did? Why? What has God wanted you to leave behind, to experience more of what He wants for your life? How have you responded?

Reads Isaiah 6:5-8. You only regret the doors you don't go through. Are you ready to walk through the doors God is opening? What would hinder making that decision? How can you remove any doubt, fear, or feeling of inadequacy? How can the group help?

Read Romans 4:18-21. How can you strengthen your faith today to believe God is ready to show you a door to a better future? How will you walk through that door today?

Take time to pray for one another for increased faith. Seek God to bring healing to any past hurts and inspire spirits to walk into His best future for one another.

Note: If you aren't in a community group, let us know you want to take that next step. Email us at NextSteps@communitychurch.info. Group is not about a meeting, but instead people coming together to build relationships with each other and Jesus while they do this thing called life. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
