A DISCUSSION GUIDE FOR GROUPS OCCURRING NOVEMBER 28TH – DECEMBER 4TH

How do you identify yourself? Identify others?

Read Ephesians 1:13. How would you describe the experience of this verse?

Read Romans 8:15-17. Holy Spirit gives us access to God as Father. What has been one thing about your identity that you have struggled with? How does this verse help?

What situations and circumstances have you faced that helped determine how you lived. Read Romans 8:11 and discuss ways this will change how we respond to future obstacles.

What role do feelings play in your day-to-day functions? How does the truth of your identity as a son or daughter of God affect the way you act in situations? Share specific situations where this should make a difference. Fear keeps us from experiencing everything God wants for us. What fears have held you back from greater things? Are there any fears you are facing today?

Read 2 Timothy 1:7. What are the differences between fear and power, and love and self-discipline? Which spirit seems to control you the most?

Read Romans 15:13. What seems to control your life? What do you overflow with? How would your life look different if you overflowed with peace, joy, hope, and power that the verse describes. Describe how you are living these out and how can you begin living them out of the overflow of Holy Spirit in you?

Pray for one another to live in the overflow by being filled by Holy Spirit and living as God defines us and nothing else.

Note: If you aren't in a community group, let us know you want to take that next step. Email us at NextSteps@communitychurch.info. Group is not about a meeting, but instead people coming together to build relationships with each other and Jesus while they do this thing called life. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
