

A NEW PERSPECTIVE

for groups occurring january 2nd to january 8th

Would you rather look into a microscope or a telescope? Why? Do you think you usually look at life the same way? Explain.

Read Daniel 1:6-7. How have others identified you? How has culture shaped their opinion? How do you identify yourself?

Read Daniel 1:8-9. Are you more likely to influence others or be influenced? Explain. What are the difficulties of changing your surroundings (i.e. family, neighbors, work, school, etc.)? What things help make it possible?

Read Daniel 10:2-14. Share a story of when it seemed God wasn't responding. Explain that situation and the outcome. How have you seen God show up in ways you never expected?

Read Philippians 1:18-20. What things do you get caught up in that don't really matter? Why? What things matter most?

How can you begin 2016 focusing on the things that matter most? How can you gain more of God's perspective this year to help (i.e. Are you participating in the 21-day fast and one-year Bible reading plan?)? Put a plan in place to encourage each other to read through the Bible this year!

Pray together that 2016 would be a marked year in how God moves in each other and Community Church. Seek God to give us His perspective.

Note: If you aren't in a community group, let us know you want to take that next step. Email us at groups@communitychurch.info. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
