Key Points:

- The right Tribe offers to you what God wants for you.
- Experiencing the right Tribe requires overcoming barriers.
- Sharing life with the right Tribe delivers God-results.
- Being All-In for Jesus AND having the right Tribe is God's best for my life.

Share with everyone how long you've been in this group.

Why did you start attending group? Have you experienced a tribe like this in your life before?

Why do you think it is important to be committed to group?

How has this group helped you in *Living Fully Alive*?

Explain to the group what it means to you to share life

together? How is this similar or different from the Church in Acts 2? What can the group do to experience more of sharing life the way they did?

How has being part of this group helped you grow

spiritually? Share a story about how someone in this group has helped sharpen you. What can the group do to help sharpen one another more?

What barriers did you overcome to be a part of group?

Do you feel like there are any barriers currently that hinder you from connecting relationally and/or growing spiritually? How can this be changed?

Take time to discuss ways this group can experience God-

results together. Agree on at least one area that this group could live out the value *Growing Means Changing*.

Pray for the group to do what it takes to see God-results.
