

THE BLESSED LIFE

GROUP GUIDE

for groups occurring
March 20th - March 25th

PLANTING

message outline for
March 19th - 20th, 2016

Key Scriptures:

Mark 11:12-14
2 Corinthians 9:6-15
Matthew 19:29

Other Verses:

Isaiah 37:31
Galatians 6:7
Matthew 17:20
John 4:35-38

Key Points:

- The seed must be planted to produce.
- Attitude > Amount
- What I do in the meantime determines the measure...
- Praying in faith is watering.
- Irrational generosity leads to an irrational harvest.

Who are you bringing to Easter service? Who else are you praying to come?

Share a story where you have reaped what you have sown (good or bad). What areas of your life are you currently sowing the most seed? What can you expect to reap?

Read 2 Corinthians 9:6-8. What can you sow more of? What would sowing that in abundance look like? Do you feel you can do that with a cheerful heart? Explain.

Give an example of how you are praying in faith and continuing to sow even though you aren't seeing any results. What results might you see if you continue to water in faith? How might your sowing be reaped in a way you wouldn't expect?

Share an example of how you benefited (reaped) because of what someone else has sown. What irrational generosity in your life will lead to an irrational harvest from God (Matthew 19:29)?

Pray for one another to respond to God in the areas they are to be sowing generously. Pray that each person will continue praying in faith to water the seeds they are sowing.

Pray for an irrational harvest for Easter weekend of at least 500 people to go all-in for Jesus at Community Church! Ask God to show each person how they can still sow into that harvest (through prayer, invites, serving, etc.).

Note: If you aren't in a community group, let us know you want to take that next step. Email us at groups@communitychurch.info. No matter where you find yourself in life, there is a group that is right for you, and we'll help you find it.
