

Kids Community Group Guide

Just Keep Swimming, Swimming, Swimming, STOP Take Time and Listen to God!

Leader's Guide for groups occurring June 25th through July 1st

Bible Lesson:

What keeps you busy? Stop and think of the five things you do every day that keeps you working hard and being busy.

*Most of us believe in working hard to do the right things. We live in a time when people are busy doing something up until we fall into bed exhausted. Jesus taught us all that spending quiet time with Him is more valuable than an activity, good or bad. **Read Luke 10:38.***

Discussion Questions:

- What did Martha do when Jesus came into her village?
- How did Mary react to Jesus' visit to their home?
- Why did Martha go to Jesus?
- What did she want Him to do?
- What did Jesus think of the things that kept Martha busy?
- How did he feel about what Mary had chosen to do?
- Why did He say Mary had chosen what is better?
- When we spend time with Jesus, what can we take from that experience?
- What are you spending most of your time on?
- How will you choose the right activity next time you feel overwhelmed by all you 'think' you have to do?

Power Verse:

"Neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord."

– Romans 8:39
