GET YOUR JUMP ON

message scriptures for
June 4th – 5th, 2016

Key Scripture:

Acts 3:1-10

Other Verses:

Acts 3:12-16
Acts 19:13-16

Do you have any special plans for summer? If you don't have plans, what is something you would love to do?

Take time to review the key scripture. Share a time you experienced different results than you expected in a situation.

How has being in the wrong places cost you? How has being in the right places helped? What are some places you need to be going so God-things can happen?

Discuss together what it would mean for you to go down in order to bring others up. How can you begin making this part of your new normal? How can the group help each other accomplish these things?

What would "getting your jump on" look like today? Dream together about how this will change your life and others.

Pray that people would position themselves for God-things to happen. Pray that people would "get their jump on" today and experience more of what God wants for them.
