What is it about summer that you most look forward to?

Read Acts 2:29-41 and Romans 12:2 together. How has the message that changed the life of thousands in a day, changed your life? Give examples of your new normal.

What plans can you make to set yourself up for the best summer ever? What plans might God have for you (personal, family church, etc.)? What is keeping you from making these plans?

Read Ecclesiastes 11:4. How does this challenge you?

Share with the group your first response to the words of Ephesians 5:15-17. How will you use summer as a chance for doing good? How are you learning what God wants you to do? *Speak Life* into one another about how you see what God can do through each person.

Describe your potential new normal based on this guide and power of Holy Spirit. What about summer are you most looking forward to now?

Pray for one another to grab hold of every opportunity for God to show up. Pray for courage and desire to use Holy Spirit to experience the best summer ever!
