**What was one thing you “had to have” as a child, but was disappointed when you finally got it?** What are some of the things you desire today?

**What are your favorite things that you give your time and attention to?** Do these things take your focus off God being first in your life?

**How much do other people’s opinions affect you (positively and negatively)?** Give some examples of people in your life that this happens with most. Why do you think their opinions impact you so much?

**Read Ephesians 2:10 and John 12:42-43.** Which of these verses do you think you live by most? Why? What would be different if God’s opinion became the most important?

**What is something(s) that you realize takes a greater amount of focus in your life today than your focus on God?** What can you begin doing today to keep God, and His thoughts of you, above all else? How can the group help?

*Pray Philippians 2:13 over one another. Seek Holy Spirit to empower you to live this new normal.*
