Talk about what things come to mind when you hear “legendary” and what makes it legendary to you.

How do the key scriptures help you believe God is for you and that a legendary life is possible?

How would you describe prayer? Does the verse in Corinthians impact your view? How?

What are some barriers you face to having a powerful prayer life? Discuss how faith removes those barriers.

In what areas do you need to become legendary in choosing the challenge over the discouragement?

What can you start doing this week to create a prayer pattern that will produce legendary results? Dialogue on how the group can help one another develop these patterns.

Pray together for increased faith to pray with power. Pray for the group to live out prayer patterns that will help each other Be Legendary!
