MAKING CONFLICT COUNT

scriptures for
July 9th – 10th, 2016

Key Scriptures:

Acts 6:1-7

Other Verses:

Colossians 3:13
Matthew 5:9
John 14:25-27

Please listen to the [brief video](#) from Pastor Michael before going through the group guide together.

What adjustments could you make in what you focus on that will help remove conflict? How can you make those adjustments?

How have you seen the ability to forgive others, help in handling conflict? Give examples of how the lack of forgiveness has hindered overcoming conflict. How will Colossians 3:13 help you move forward?

Some of the hardest things to accomplish in conflict are active listening and using the right words. Share with the group how you do at this and how you can improve.

Conflict resolution results from a heart of peace. Read John 14:25-27 and discuss how this peace changes any conflicts in your life today. What conflict, or forgiveness, do you need to address today from a heart of peace?

Pray for God's love to settle in everyone's heart so that forgiveness and peace can become the new normal.
