**Do you journal?** If not, why not? If so, share some of the benefits you have seen in taking time to journal.

**Recap the Joshua passage.** Discuss what is possible since God wants to do more than we could ever ask or think.

**Specific prayers produce specific answers.** Are your prayers usually specific or general? Give examples of prayers and answers.

**Do you think you dream big about your future? Why or why not?** Do you need to dream bigger? How would this change you? What do you think keeps you from dreaming bigger?

**What are the dreams you have written down? What would you write down?**

**What makes this all work is remaining in Jesus. A stumbling block is weariness.** How can you overcome weariness and worry and began to dream again?

**Write down at least one dream and specific prayer to go along with each dream.** Share them with one another.

*Pray together over the dreams and prayers just written.*
