The Holy Spirit is Waiting to Help - Just Ask!

Leader's Guide for groups occurring September 3rd through September 9th

Bible Lesson:

Think of a time when you needed help and you wish you had a friend there to help you. The truth is that we all come across situations where we need a helper in our lives. No matter how wise or strong we may be, we often are in need of someone to pick us up. As followers of Jesus, we have the greatest helper in Holy Spirit. He is there for us at all times and He can help us in our time of need...all we have to do is ask! **Read Acts 16:6-10.**

Discussion Questions:

1. What were Paul and his friends doing in this story?
2. Have you ever been lost and didn't know where to go?
3. How did they know where to go next?
4. How did Holy Spirit help them on their journey?
5. What led Paul to the region of Macedonia?
6. Do you believe God can speak to you in visions as well?
7. In what areas of your life do you need Holy Spirit to help you?
8. When faced with your next decision, will you ask Holy Spirit for help?

Power Verse:
