**How much of your time this week has been spent on things you didn't plan to do? Why?**

**How would you explain the difference between important and urgent?**

**Are you more like Mary or Martha from the story in Luke 10? Discuss your thoughts on these different approaches.**

**Share a time your life felt like chaos because you kept choosing urgent over important.**

**What are you currently missing out on in life that is important because you are caught up in the urgent? How can you change that?**

**Does your life reflect Jesus being more important than the everyday urgent? Explain. What choices do you need to make more often to live all-in for Jesus?**

*Pray together for wisdom to know when the urgent is overtaking the important. Pray that each person would choose to make Jesus most important each day.*
