How would you spend a million dollars?

How do most students spend money? How do you? What would it look like for your money to show what reward you are chasing?

Do you demonstrate God first in your finances and life to other students? Parents: Share an example of the impact this can make.

How can you be handling the following areas today to help them all fall into place tomorrow and as an adult (Giving, Minimizing debt, Emergency Fund, Paying of Debt, Saving/ Investing)? Parents: Share some of the biggest obstacles and best practices?

How does 1 Timothy 6:6-10 encourage you?

What is one new thing you can begin doing today to live out serving God and letting money serve you?

Pray for each other to trust God more than money. Pray that money would be a resource God uses in our lives and not the director. Pray we would all be a generous people.
